

SCHOLARSHIP NOMINATION FORM 2008 – 2009 School Year

Graduates from each high school are selected annually to receive a scholarship. Students in the TONI&GUY Cosmetology Operator program will receive \$1,000, or \$500 for the Cosmetology Teacher program, to be used toward their tuition. All 2009 high school graduates who are interested in any of our programs are eligible to apply. You must be taking the entire program to receive the scholarship. If you are only taking a portion of the program, your scholarship will be pro-rated, according to the number of hours you are taking. The total hours that are taken will be divided by the total hours of the program to determine the amount of the scholarship.

ALL FORMS AND ESSAYS MUST BE RECEIVED BY SEPTEMBER 1, 2009

To be completed by applicant:

NAME: _____

ADDRESS: _____

Scholarship Qualifications and Requirements

- All nomination forms and personal essays must be received by the Scholarship Committee at Great Lakes Institute of Technology by September 1, 2009.
- All nominations will be reviewed by the Scholarship Committee at Great Lakes Institute of Technology. The student will be notified by mail no later than September 15, 2009.
- Nominations received after September 1, 2009 may not be considered for scholarship opportunities.
- Scholarship is valid for start dates within 1 year after high school graduation.
- Amount of the Great Lakes Institute of Technology TONI&GUY scholarship will be **\$1,000 off the tuition cost only for the Cosmetology Operator program, or \$500 off the tuition cost only for the Cosmetology Teacher program**, which is a part of the total cost of education.
- You must take entire program to be eligible for scholarship.
- If you are only taking a portion of the program, your scholarship will be pro-rated, according to the number of hours you are taking. The total hours you are taking will be divided by the total hours of the program to determine the amount of the scholarship.
- If you do not complete the program, your scholarship will be null and void.
